

8th November 2021

Heyhouses C of E Nursery School Newsletter

We have had a wonderful week back in nursery continuing with ongoing topics and beginning to embark on new learning too starting with self-care and independence skills.

At Heyhouses Day Nursery we encourage and promote selfcare and independence skills throughout the daily routines and learning activities.

I can make choices to which food like like to eat for lunch.

I can feed myself independently.

I enjoy sitting with my friends at mealtimes.

Can pour my own drink from a water jug.

PIC•COLLAGE

All around the nursery we have wonderful examples of the children's self-care and independence skills, alongside all their individual learning and achievements. The team are very much looking forward to the parent workshops on the 23rd and 24th November where they can share the wonderful examples and pictures of the children's learning and enjoyment.

The team are also currently talking with the children about the significance of the poppy and remembering those we love, who may have been or who are in the forces.

We have also celebrated Diwali, the festival of light, talking about the different kinds of celebrations around the world.

We hope you all enjoy the super photographs within the newsletter taken over the last week or so, please also scroll down the pages for information regarding dates for your diary including Christmas events coming up.

Remembering our Loved ones

We have been making poppies with the children and would like to make a display. We would love to put up some photos of any of our nursery family members who may serve or have served in the forces. We would then like to display them in the church.

If you have any items you would like to share with us to display please speak to the team we would very much welcome them, thank you. 

Poppy Poppy

Poppy poppy what do you say?
Wear me on Remembrance Day.

Poppy poppy what do you tell?
Many soldiers in battle fell.

Poppy poppy what should we
know?

That peace on earth should
grow, grow, grow.

Autumn walks

££££

Autumn term fees

££££

On behalf of the finance team please may we ask if you have not already paid your Autumn fee invoice, that it is paid in full by the end of November, thank you .

Small requests please 🙏

Our newsletter would not be the same if we did not put within it our little plea for donations within it asking for help to enhance our nursery environment and play for the children. Please may we ask if you have any unwanted wallpaper rolls and would not mind donating them, it will be very much appreciated will provide many opportunities for the children to develop both their Gross and fine Motor skills, whilst mark making using crayons, chalk, pencils and paints.

Plastic shopping bags

We use many bags for a little one's change of wet clothes and shoes etc, we can never have too many bags, if you have any spare ones they would be of great help.

Children In need

We would like to invite you to join us in contributing to the national Children in Need appeal on Friday 19th November. To participate we are suggesting that the children may come to nursery wearing something spotty, just like Pudsey! If we may ask as part of our participation in the fundraising event that you click on the link below to donate to the BBC Children in Need appeal.

[Donate to BBC Children in Need](#)

Christmas Fundraising

Our Christmas fundraising event is one of our main fundraising events throughout the year as part of the event we would like to have Lucky Number raffle prizes to display with a raffle draw the last week of term. To help contribute towards the prizes, we would like to hold a non-uniform week inviting the children to come to nursery in non-uniform for the week commencing 15th November and upon doing so donate a Christmas hamper item. The kind donations received will help us create several luxury hampers to be raffled. If we may please ask for items such as toiletries, chocolates, biscuits, wine, anything you may like to find in a Christmas hamper, thank you!

Non-uniform week will commence Monday 15th November the children can choose to wear uniform or non-uniform. It is parent/carers choice of clothing if we may suggest anything that is comfortable and practical for playing and fun. 🎄🎄🎄
